Those who do not look upon themselves as a link, connecting the past with the future, do not perform their duty to the world.
 - Daniel Webster, American statesman, orator

In all of us there is a hunger, marrow deep, to know our heritage—to know who we are and where we came from. Without this enriching knowledge, there is a hollow yearning.
 - Alex Haley, author of "Roots"

I kiss the soil as if I placed a kiss on the hands of a mother, for the homeland is our earthly mother.
 - Blessed Pope John Paul II, Karol Wojtyla

Scholarship Awards, 20013-14

All human activity takes place within a culture and interacts with culture. For an adequate formation of a culture, the involvement of the whole man is required, whereby he exercises his creativity, intelligence, and knowledge of the world and of people.
- Blessed Pope John Paul II

THE SCHOLARSHIP PROGRAM

A continuing source of pride is the Scholarship Program, which was initiated in 1975. Since its inception, the Program has awarded scholarships totalling more than \$315,000 to deserving students.

We live with a heritage from earlier generations and must seek to create positive legacies for those who follow us. When the old are not allowed to tell their story, the young grow up without history. If the young are not listened to, we have no future.
- Dr. Gunhild O. Hagostad , Norwegian sociologist

I believe that America is a mosaic. Each one of us is part of a great mosaic where, in our own respective heritage, is culture, language, pride, and identity.
- Barbara Mikulski, U.S. Senator

The wise man must remember that while he is a descendant of the past, he is a parent of the future.
- Herbert Spencer, biologist & social philosopher

To be ignorant of what occurred before you were born is to remain perpetually a child. For what is the worth of a human life unless it is woven into the life of our ancestors by the records of history?
- Marcus Tullius Cicero, 106-43 B.C.
